MEMORANDUM FOR: ~~Deputy Director of Central Intelligence~~

SUBJECT: Interagency Correspondence - Requesting G.S.A. to Extend Rules and Regulations Governing Public Buildings and Grounds (Section 201.00 Chapter VIII, Title 2, Real Property Management, Regulations of G.S.A.) to C.I.A. Headquarters Building, Langley, Virginia.

1. This memorandum suggests action on your part. Such action is requested in paragraph 3.

2. Unlike most Federal property, the land on which our Headquarters Building, Langley, Virginia, is situated, is under the exclusive control of C.I.A., not G.S.A., by virtue of the Deed of Concession from the State of Virginia (Section 318 (a) and (b), Title 40 U.S. Code Annotated). Because of this, G.S.A. requires a specific request that G.S.A. Rules and Regulations Governing Public Buildings and Grounds (Section 201.00 Chapter VIII, Title 2, Real Property Management, Regulations of G.S.A.) be extended to the C.I.A. Headquarters site. Without this request, G.S.A. would not have the appropriate Federal authority for the enforcement of our Parking Rules and Regulations. Previous correspondence, referred to in the attached letter, touches upon matters of 'protection', but from recent discussions between Agency representatives and the General Services Administration, Regional Council's Office, we learn the terms used are too vague for legal, as opposed to administrative purposes.

3. It is, therefore, requested that the attached correspondence be executed by you. The letter stipulates you will reserve the discretionary right to suspend or cancel the enforcement provisions in certain cases where security requirements so dictate. G.S.A. representatives fully understand the need for this provision. G.S.A. has also been requested to procure such additional annual appropriations as may be required to cover the cost of all activities involved in the enforcement matters to which we refer. Transmittal of the proposed Parking Regulations for G.S.A. publication in the Federal Register is included.
